Advice from the outfitter:

1. **Bring good quality foul weather gear (no cheap plastic ponchos!)**
2. **Try to limit your gear to 25 lb. maximum**
3. **No phones, weapons, gameboy/nintendo or ipod allowed.**
4. We will be rafting in rugged and remote country. Please let us know of any medical or dietary restrictions. Call us if you have any questions or need help with travel plans.
5. **Do not bring suitcases!** Travel light - pack in a soft duffel (no wheeled luggage) to put in our waterproof duffel. Plastic bags also work well to separate your gear in the waterproof bag. If you do bring luggage, it will be shuttled in our vehicle to the take out site at trip's end.
